Klamath National Forest

The filnest opportunity for non-urban recreation occurs on publicly owned forest lands in the United States, and the great majority of such areas are within National Forests. There you will find outstanding scenery, fine fishing and hunting and approximately three-fourths of the remaining potential forest wilderness areas. There is a growing tendency toward greater appreciation by the public to the recreational possibilities of the National Forests, and many city families and hard-driven business men are finding the lakes, the mountains and the streams of rural areas providing the restful atmosphere or sportsman opportunity for relaxation or rejuvenation. Each year since the war, greater numbers are vacationing in the National Forests throughout the country.

The Forest Service policy is to develop recreation advantages along with other uses, unless one type of use is particularly dominant. Development is restricted to such facilities as will aid in the enjoyment of those types of recreation appropriate to the forest. A studied effort is made to avoid artificiality and emphasize opportunities for the participant rather than spectator enjoyment, the aim also being to provide recreation opportunities for relatively large numbers of people, and not for the exclusive use of individuals or small groups.

Campgrounds and picnic areas are provided for use of the general public when sites are available, and the need is apparent; special areas are set aside to provide summer homes, if such use will not interfere with other uses of a more dominant nature; trails are maintained for access to remote recreational areas, or for hiking and riding amid scenic attractions; ski runs and jumps and other winter sports are made available when possible if public use warrants; and resort areas are set aside when the type of use indicates the need.

Conservation Pledge: I give my pledge as an American to save and faithfully to defend from waste the Natural Resources of my Country—its soil and minerals, its forests, waters, and wildlife.

In 1838, Commodore Charles Wilkes, of the U. S. Navy was sent by Congress to explore this remote region and report on the possibilities for settlement. Oregon was then known as the "West" and California was a part of Mexico. The Siskiyou Mountains, in his report, were referred to as the "border mountains of Mexico". The source of the name Siskiyou or the date in which it was applied is not known.

HOWARD R. PERRIN District Architect

The portraits of Siskiyou Union High School District Architect Howard R. Perrin, and District Building Inspector Carl W. Yates are included in the White and Gold for the first time. Howard R. Perrin has been the District Architect for several years. He was the Architect for the Butte Valley High School which was built in 1945, and since that time, has been Architect for all building in the Siskiyou Union High School District. The new Yreka High School Gymnasium and the new Tule Lake High School were built under his supervision.

The Siskiyou High School District has an extensive building program under way. New buildings will be built at Yreka, Dorris, Weed, Mount Shasta and McCloud. New construction work will also be undertaken at Fort Jones if the Siskiyou County Redistricting Committee and the State Department of Education approve.

Carl W. Yates, District Building Inspector, has served in this capacity since 1953. He is highly qualified for this work and rates high with the Division of School Planning of the State Department of Education as a School Building Inspector. His services are in demand in this Northern California area as a School Building Inspector.

BUTTE VALLEY HIGH SCHOOL

Class Prophecy

On Walter Winchell's May 4, 1967, broadcast, the public was warned to be on the lookout for the malicious arsonist Berta Decker, who has been responsible for the burning of more than fifty high schools around the country. Her career began as a result of the psychological effect of four years at Butte Valley High School.

For the last five years we, Bonnie Lane and Juanita Addington, agents for the F.B.I., have been hot on her trail. We have reason to believe she has returned to Butte Valley to try and destroy the school whose influence started her down the road of crime.

As we crossed the California state line about five in the afternoon, it was warm and humid, so Juanita suggested that we stop off at Cal-Ore for a drink. Of course, I readily agreed.

After climbing onto the stools, a young man came over to wait on us. Bonnie asked if I didn't think there was a remarkable resemblance between the soda jerk and a former classmate Carl Enloe. He said he was, and after shaking hands he sat down and we began reminiscing about the Senior Class of '57.

Carl walked over to the juke box and dropped a slug in. As he walked back over and sat down, he asked if we had heard the latest hit record out by Karen Alexander, the latest and greatest Flip, Flop and Fly artist. She is to the teen-agers today what Elvis Presley was to us when we were young. He inquired about Senator Bill Kerwin. We told him that last week when we phoned in a progress report to Joe Otey, who, incidentally is now head of the F.B.I., he told us that Senator Kerwin has just placed a bill requesting National Prohibition, before the United States Senate.

Carl, who is a great T.V. fan, told us to be sure to watch the Ed Sullivan show tomorrow night. Milton Crutchfield, who currently appears at the Metropolitan Opera House, will be making his T.V. debut on that program.

When we asked if he had heard any of Rev. Richard Dale Filippe's sermons, he looked rather puzzled. So we exclaimed that as we passed through Reno a few weeks ago, we saw a man standing on a box in front of Harold's Club shouting to the people to mend their ways and follow the paths of righteousness. As we drew closer we recognized the man as our old friend Dick Filippe. Carl seemed rather amused upon hearing this. Then a sudden twinkle in his eyes seemed to indicate that he had thought of something equally

amusing. He asked if we had heard of Jack Nicholas's experiences at the University of California. Looking at each other we wondered if it had taken him this long to complete a four-year course. Carl told us that Jack was holding down a coaching job there. Coaching a girls' basketball team, of course. We asked if any of our classmates were still around Dorris. He replied that Ron Hellman was working as a women's hair stylist at the Butte Valley Wig Company. John Dodson is now the president of the local P.T.A. (Pastry-Tasters-Association). Bill Walden, famous author, has just returned to Dorris to have the staff of the Butte Valley Star print his latest book of etiquette. As there were so many of the students that we hadn't had time to inquire about, we hated to depart so soon, but it was getting late and we knew we must reach the city before night fall in order to get a room for the night. As we walked out the door we noticed a poster in the window. It read: "Help support Della McKay's home for stray cats. All donations appreciated." After dropping a penny in the box provided, we got in our car and headed for Dorris City. After turning onto Third Street we drove about half a block before being frightened out of our wits by a red streak that went zooming past. We later learned that it was Danny Davis, the famous Indianapolis Race Driver, who now uses Third Street as his practice strip.

After obtaining a room we settled down to read the paper and immediately turned to "Have You Heard the Latest?", a column written by Peggy Van Meter. There we read the latest Hollywood scandal. Mike Walton, censoror for Warner Bros., has been fired for letting a few minor details escape his notice in the release of the movie, "The Long Bare Line." Also Nancy Chase, the great Prima-Dona, rushed from the stage last night in the middle of her performance when a mouse ran across the stage.

I walked over and switched on the television set and who did I see but Janice Meek. Yes, you guessed it! She now wrestles on television every Saturday night.

The last program on the schedule for the evening was a demonstration of ballroom dancing given by Melvyn Miller and his beautiful blonde partner, Berta Decker. Berta Decker! After all these years of chasing her around the country, where do we find her but in our old home town. Well, tired as we are we'll have to go down to the television station and apprehend her or there won't be a high school in town by morning.

Dedication

We, the class of 1957, lovingly dedicate our section of the White and Gold to MARGIE BORBA, fond classmate, whose parting left us grief-stricken.

"She is not dead, . . . the child of our affection, . . . But gone unto that school

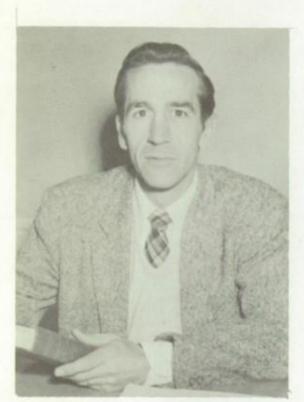

Where she no longer needs our poor protection, And Christ himself doth rule.

In that great cloister's stillness and seclusion, By guardian angels led,

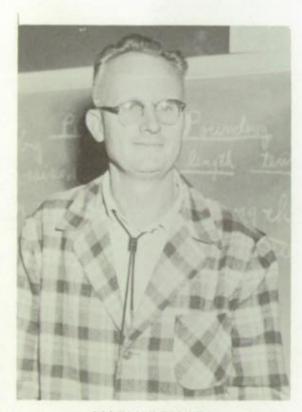

Safe from temptation, safe from sin's pollution, She lives, whom we call dead."

We know that teachers mean well, but to students, often teachers and custodians are a necessary evil. The way the teachers pile on the work, anyone would think we have nothing better to do than study!

We have many useful and interesting things to do, and studies often interfere with our pursuit of happiness. The night of a big basketball game, for instance, they all assign a test for the next day. The bus driver is not too considerate either. He will not hold the bus for us even if we are only an hour late, more or less.

Then there is the teacher that tells us in class to be quiet and study, but stands there talking all period! Others ask if we have any questions and do not wait to find out, but keep right on talking. At such times we would like to say, "Let thy words be few."

But as long as we are in school, we shall have to bear our burdens. Despite all the inconveniences we may be caused, we shall look back on our high school days with gratitude to those adults who reach out to help teenagers up the steep road of learning.

The Student Council is the legislative body of the school, organized to supervise the activities of the student body. The members are outstanding students and are active in extracurricular affairs, social and athletic. They help promote school spirit by leading in school activities.

The Clasp of Friendship

As we, the Class of 1957, patiently await graduation we can recollect various experiences we shared with friends and fellow classmates. When we first walked down the halls of McCloud High School, time was standing still. Now as we are about to leave, many of us wish we had not wasted much precious time. But we have learned a great deal in our four years, not only from teachers in and out of classes, but from everyday experiences with our fellow classmates as well.

As freshmen we took our initiation like good sports and it was well we did, because later we were treated to a dance. After we adapted ourselves to the strange, new environment, some of us managed to participate in school activities such as sports, band, pep club and those of the CSF and the Honor Roll. Our second year we were right at home and knew just how to welcome the green freshmen. We initiated them with all due ceremony.

Being upperclassmen was an exciting experience. In our junior year we purchased our class rings. Industriously we worked to put on our junior play, "The Boarding House Reach." For our Junior Prom we

decorated the gymnasium in a winter scene to carry out the theme of "Sleigh Ride." Another highlight of our junior year was the Junior-Senior Banquet, where we bade farewell to the seniors with the theme "Moments to Remember."

Toward the end of our junior year when the seniors took their sneak day we had a chance to paint our numerals. We had such fun that we went back the next night. This was a costly mistake, because we painted on some of the forbidden spots, so that the next day Mr. Green had us scrape and scrub off paint from the east and west sides of the dance hall.

Our senior year is proving to be most enjoyable as we continue to work together. Our class play, "One Wild Night," was a huge success. As the White and Gold goes to press we are still waiting for sneak day and the Senior Ball to wind up four happy years of work and fun together.

Each year went faster than the last, and now we say, "Farewell! a word that must be, and hath been,—
A sound which makes us linger; yet —— farewell!"
We shall remember always, though, the clasp of friendship of our teachers and classmates.

Events Cast Shadows

It was the fall of 1977 when I arrived in McCloud from Chicago. After Bobby Smalling landed the cosmojet at the McCloud Airport, he and his stewardess, Lois Ahlenstorf, told me that the best place to eat was at Judy Thomas's Rancho Room.

On my way to the Rancho I was almost run down by a laundry truck driven by Kenny Goates. As Kenny passed me, I noticed that the sign on the side of the truck said "Virginia Weis Drip-Dry Diaper Service."

Later as I was passing near the hospital, I met Carole Gill, who is a nurse there. She told me she was, at the time, a special nurse for John Overstreet, McCloud's best cop. I also learned that Emilie Iaconis had given birth to twins the day before, and Elaine and Bob Claro with their children are on vacation in Florida.

As we approached the theatre, we heard the familiar beat of drums. Gary Lambert was putting on the in-between-acts of the latest McCloud Community play, "One Wooley Evening," starring LaVada Roberts and Dick Eckert. Luckily, I managed to see the last act of the matinee.

Then I went into the court house and there was Judge Gertrude Senigar, collecting a fine from Robert Frantz for driving too slow in his jet-propelled car. The next case was over an oil dispute. Attorney Melvin Cossairt was pleading for the famous Texas millionaire, Armistice Bortolin. Bernie Penton, from Penton Kennels, came in and was arguing with Dog Catcher Carl Roth. Carl claims that one of Bernie's Mexican Chihuahuas had bitten him.

I heard that Bob Green is Principal of the McCloud High School; Mickey Bringle, the coach; and Michael Cattuzzo is assistant coach. I dropped in to visit them, and there I saw Lucille Van Keuren, homemaking teacher, and Shirley Milani, English teacher, who told me that Charlotte Pointer and James Chamberlain are the chefs at Pondosa, and Clayton Kitchell is the head baker.

Later I went into the Snack Bar, and there were Judy Hanson and Charlotte Goates. Judy said they are doing a great business, now that they own the place. Charlotte told me that Margaret Grady has finally reached her goal. She is the only lady steeple-jack that has worked for the city of McCloud. Also I was told that David Brickell had worked his way up to Manager of the McCloud Store.

As I was leaving, I saw Raoul Julien, who was home on leave from the Navy. He told me hat Mary Pellegrino, owner of the Clean and Spotless Cleaner, had lent him one of her new cars.

Just then, Phillip Hoertling came down the street. He told me that he was doing a good job as salesman for the new jet-propelled vacuum cleaner but that Roger Zanotto is his rival in selling them. Phillip gets around. He told me that Leon Holyfield has a florist shop and a newspaper, and Eugene Ricci is his manabout-town reporter. Irene Baiza is a very prominent business woman in New York with Marian Nawman as her secretary. Frankie Huffman owns the Pay-More-See-Less Theatre, in Yreka, he continued, and Michael Keegan is now top ace in the Air Force.

It was wonderful to revisit my old home town and see so many of my classmates; but I could not stay because I had to catch the next jet going north since I had a fight scheduled for that night, I, Celia Van Keuren, World's Famous Lady Wrestler.

EYE LIGHTS EYE IN GOOD FRIENDSHIP

We, the Junior Class, have worked hand in hand during the past three years, heading toward our final goal.

The first big event of this year for us was our Prom, which was held on December 20. For our theme we selected "White Christmas." A large crowd enjoyed the dance with us.

Some of us find working on the White and Gold quite an education in writing, which really calls for thinking. As we go to press we look forward to putting on our class play, and eye lights eye as we discuss plans for the last big event of this year, the Junior-Senior Banquet.

We look forward to next year when in good friendship we hope to continue our high school career.

Sophomore Class

"It is a comfort for the unfortunate to have companions in woe."

Since the freshmen were a woeful sight on the first day of school, we sophomores decided to make their initiation as pleasant as possible. We are sure they enjoyed performing their initiation ordeals as much as we enjoyed laughing at them in their ridiculous positions. That same night, we showed them our true friendly feeling by giving them a welcome dance.

Many of our classmates have been represented on the CSF and the Honor Roll. Quite a few of the boys are very good athletes.

Although we have immensely enjoyed our sophomore year, we are looking forward to becoming upperclassmen. We realize we will have to work harder in our classes because the subjects will be more difficult, but we shall be able to take part, too, in more extra curricular activities.

Freshman Class

"From quiet homes and first beginnings out to the undiscovered ends."

This year we freshmen started out from quiet homes to discover just what high school is about. We trembled at the sight of the huge reception group in front of the high school that memorable September day. But the sophomores turned out to be friendly, even during the freshmen initiation and especially at the dance in the evening.

As soon as possible we elected the class officers to lead us. Freshmen boys went out for sports, while the girls played volleyball, baseball and relay tournaments. We are represented also on the CSF and the Honor Roll.

Leaving no undiscovered freshman regions behind, we are looking forward to becoming sophomores and to discovering new ends.

The delegates to the Richardson Springs Conference, junior and senior girls, share several days with other groups of girls. They exchange ideas on their problems and entertain each other with original skits. Boys' and Girls' State representatives, selected from the Junior Class, attend a state-wide meeting in Sacramento learning about government. All students report very favorably on their experiences as delegates.

MUSIC MAKERS

Over the past three years the McCloud High School band has been growing steadily, and now there are forty-two members. We are happy to have Mr. Harry Hicklin with us again as music director.

The officers are: Gene Ricci, president; Mickey Bringle, vice-president; and Trevor Phillips, secretary.

The band made its first public appearance of the year at a fall Parent-Teacher Association meeting, and the dance band at a meeting of the McCloud Service Club. A fall concert was presented, the McCloud High School band, Dance Band, and the Chorus and the McCloud Elementary School Band all participating in the program. Several band and chorus members also attended the Siskiyou County Music Clinic in Dunsmuir on December 8.

On the calendar for spring are the spring concert and the Siskiyou County Festival and the Northern California Festival to be held in Chico or Redding. White and Gold

Champions

The 1956 football team possessed terrific determination and unyielding desire to win. The team was well rewarded by winning the first championship for McCloud since 1942, and also they completed an undefeated year in six-man play.

The backfield of Bob Green, Mick Bringle, and Melton Bonneville was unstoppable; and the forward wall of Jim Chamberlain, Raoul Julien and alternating centers Ron Guymon and Al Fabbrini made a tough team to defeat.

The team received its best competition from Butte Valley, but the Loggers twice rose to the occasion and defeated the Bulldogs.

Melton Bonneville and Bob Green were the outstanding offensive men, while Mick Bringle, Ron Caselli, Jim Chamberlain and Raoul Julien were stalwarts on defense.

Some first-year men that played good ball were conversion expert Dick Eckert, Bob Claro, Bob Farentinos and also veteran Kenny Goates, who showed especially well in the championship game with Butte Valley.

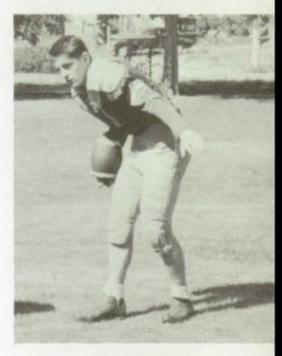

The McCloud reserves who saw quite a bit of action this year, also played well.

Senior Will

- Angie Vacent, will my position as Co-editor of the Annual to anyone fool enough to take it next year.
- I, Bettý Vietti, will my ability to drive a standard shift car to Eleanor Bianchi.
- I, Bill Scott, will my crutches to next year's football players.
- I, Max Tilden, will my undying ability to smudge enlargements to next year's Photography Class.
- I, John McCash, will my Latin knowledge to anyone who needs it.
- I, Dennis Sapp, will my ability to be the most disturbing factor in Civics to all next year's Seniors who have Mr. Holtorf for a substitute teacher.
- I, Larry Zanetti, will to the Juniors enough brains not to drive an International with a straight pipe on Senior Sneak night.
- I, Louie Cottini, will my ability to do nothing to anyone who has nothing more important to do.
- Marsha Ackley, will my Song-leader position to anyone who will enjoy it as much as I did.
- I, Janice Crittenden, will my ability to keep my tongue in my mouth to Mrs. Kaer.
- John Garcia, will my place in the Clarinet section to anyone else Mr. Day will contend with for four years.
- Allen Sutherland, will my ability to argue with Mr. Manley in Senior Problems to next year's Seniors.
- I, Jim Love, will my ability to get F's to Bobby Howarth.
- I, Lucille Brown, will my ability to jump hurdles to Eddie Hiele.
- I, Aldo Meneni, will my place on the "A" team to David Zanni-Hope you make it.
- I, Marilyn Herzog, will my ability to keep my mouth shut in Band to Marion Thebolt in the hope that she uses it.
- Mary Scoggins, will my sports ability to my brother, James.
- I, Marcia Day, will my well-worn majorette boots to anyone who is willing to have them resoled.

- I, Marianne Dery, will to the lucky Juniors, Mr. Manley's favorite word—Infatuation.
- I, Janet Curti, will my position as head Cheerleader to Terry Huntingdon.
- I, Anne Frank, will my pen and ink to the next Art Editor of the annual.
- I, Anthony Melo, will leave.
- Woody Hansen, will my solo in "Cherry Pink" to the next guy who is crazy enough to try to keep a dead song alive.
- I, Susan Oxner, will my nickname "Little Lump Lump" to those who need them.
- I, JoAnn Thebolt, will my spare time to anyone who has time enough for it.
- I, Dale Haines, will my ability to learn to play lines overnight to the next guy they call on in a pinch.
- Clifford Lint, will my knowledge of Einstein's Theory of Relativity to Jere Melo.
- Jim Williams, will my false teeth to Johnny Hiele, who will probably need them before he is out of school.
- I, Annie Scoggins, will all my jokes to any fool who falls for them.
- I, Beverly Meneni, will my basketball ability to Ida Meneni—she needs it.
- I, Rosalind Bottega, will my extra height to David Zanni, who undoubtedly needs it.
- I, Betty Minoletti, will my ability to trip the P.E. teacher to anyone who has the nerve to do it.
- I, Barcy Smith, will leave nothing because I'm taking it all with me.
- I, Tressa Fidler, will my blue toe nails to Prudy Kennedy.
- Silvestra Tolosano, will my solo's to the future bell player.
- I, Louise McCoy, will my singed hair, broken test tubes and similar goofs to next year's Chemists.
- I, Sandra Price, will my place on the High School Ski Team to Ethel Frazier.
- I, John Andreatta, will my driving ability to anyone with enough courage to take it.

SENIORS

BILL SCOTT President

ANGIE VACENT Vice President

Wit to persuade and beauty to delight.

"Blessed are the peacemakers."

"Much learning makes me mad."

"A daughter of the gods, divinely tall, and most divinely fair."

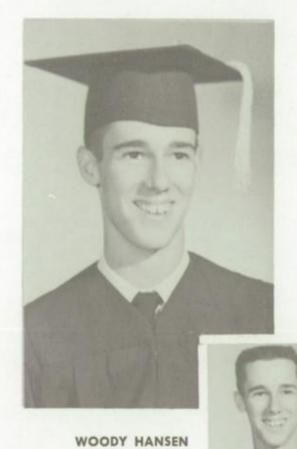

"First in war, first in peace, and first in the hearts of his fellow men."

"She walks in beauty."

'Knowledge is a hill few dare to climb.

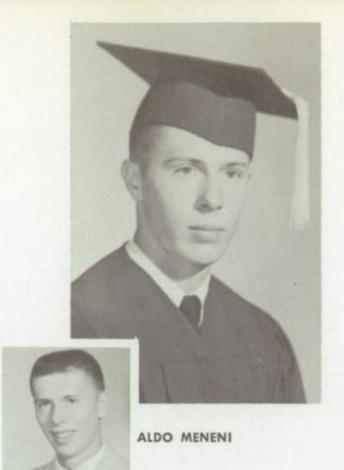

"It is a rough road that leads to the heights of greatness."

SILVESTRA TOLOSANO

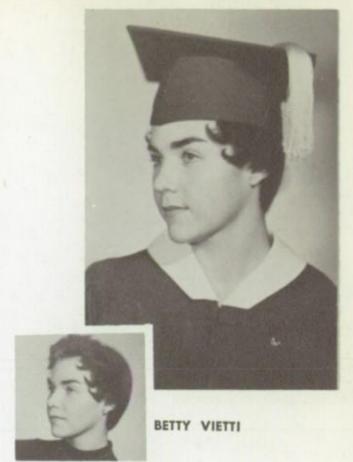

"Eyes too expressive to be blue, too lovely to be grey."

"A merry heart maketh a cheerful countenance."

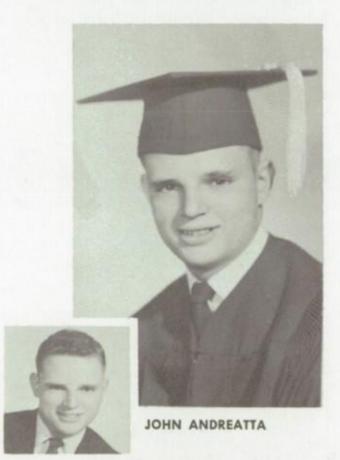

"Well, I've had a happy life."

"A pleasing countenance is a silent commendation."

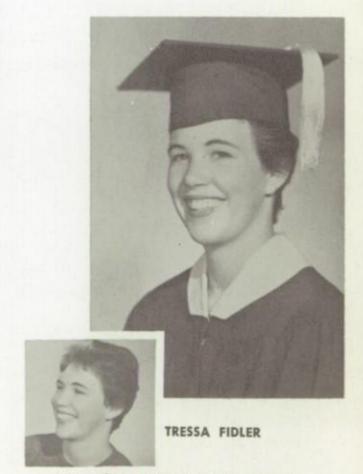

"A still and quiet conscience."

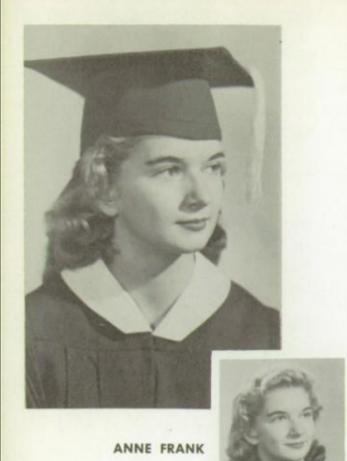

"Time is but the stream I go afishin' in."

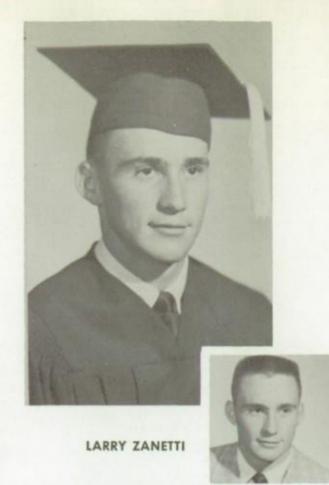

"Everything I like is either illegal, immoral or fattening."

"Above all things, truth beareth away the victory."

"He is not a chip off the old block, but the old block itself."

LOUISE McCOY

"Laugh yourself into stitches."

"In friendship I was early taught to believe."

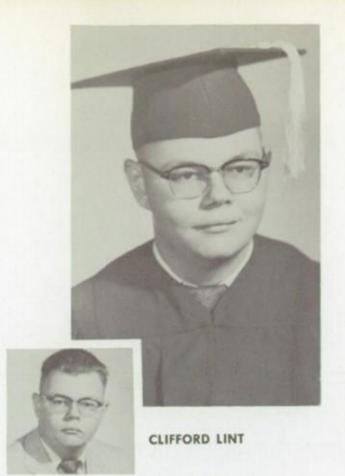

ANTHONY MELO

"School? I suppose it's a necessary evil."

'I've taken my fun where I've found it.'

"Men love to wonder, and that is the seed of our science."

"No one knows what she can do until she tries."

"Her wit made others witty."

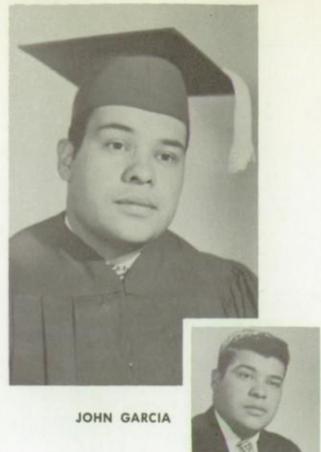

"It may be life, but ain't it slow."

"Good health and good sense are two of life's greatest blessings."

"I have a heart with room for every joy."

"Knee deep in clover."

MARSHA ACKLEY

"A tender heart; a will inflexible."

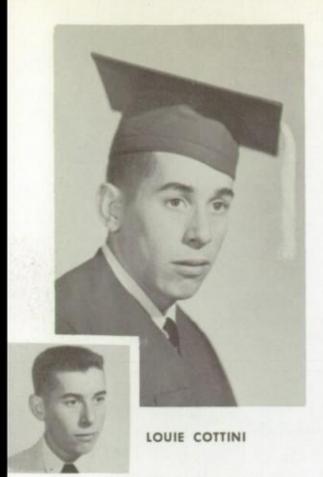

DENNIS SAPP

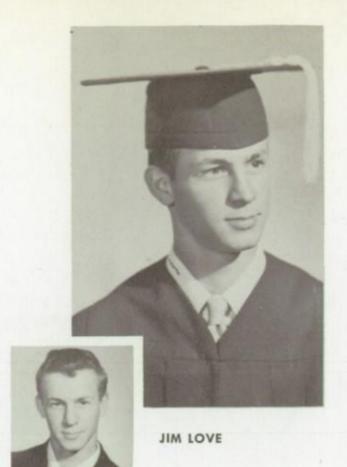

"Silence is golden, but I'm off the gold standard."

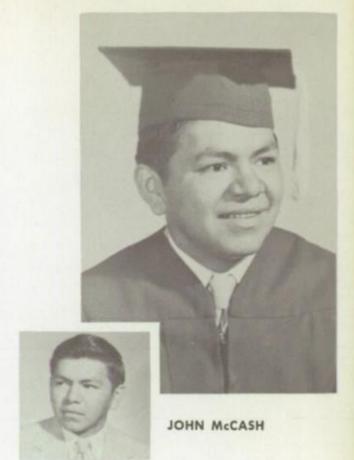

"The only way to have a friend is to be one."

"Life is just one dang thing after another."

"Let the chips fall where they may."

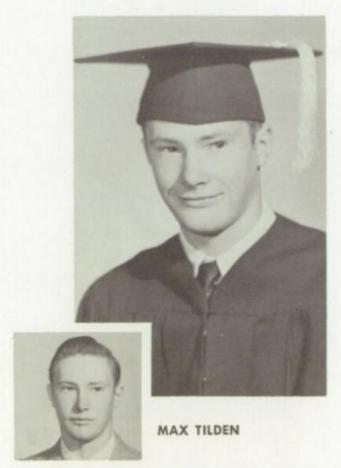

"Always a friend."

Tennis

At the County Meet in the Spring of 1956, the tennis team, consisting of Helen Walden and Arlene Montgomery playing girls doubles and John Rizzardo and Ed Niemi in boys doubles, played good games but came home in defeat.

This year's team, though small, has been working very hard with Coach Graves preparing for the County Meet in the Spring.

Boys' and Girls' State

Each year two boys and one girl are selected to attend Boys' and Girls' State. They are chosen by their academic ability and citizenship.

Boys' and Girls' State was first started by the American Legion Auxiliary and American Legion in order to give students an idea of what state government is all about. This year's delegates are Jim Wilson, Dee DeAvilla, and Aaron Thomas.

During the evening of June 6th the Seniors of 1957 will march down the aisle after four wonderful and educational years at Yreka High School. Our Freshman year was a busy time with Duane Culp as president of the class and Mrs. Loudon as our advisor. Taking a few weeks preparation during our Sophomore year we gave the Sweetheart Swirl, "Sweethearts on Parade," with Harry Ling and Judy Moore as the King and Queen. Louis Karstensson was president with Mr. Birmingham as our advisor. During our Junior year our main projects were the Junior Prom, "Sand and the Sea," held in the spring. In the fall we gave

the Junior Play, "Suddenly It Was May," with Mrs. Young as our director. A Box Social was held to raise money for the class with Eddie Harris as president.

The last year at Yreka High has been filled with work and activities. In November our Senior Play, "A Full House," was given, directed by Mrs. Young. In December we held the Senior Ball, "Frosted Fantasy," with a snowman and a bridge as the center pieces. Bob Paine has taken the office as president for the last year and has been assisted by Harry Ling. Our advisor, Mr. Birmingham, has been very helpful to us for the past year.

Junior Class

The Junior Class of '58 has had a very successful year under the leadership of our president, Tom Mathews, with the able assistance of our advisor, Mr. Herfindahl. The Junior Class has profitably handled concessions for football and basketball games. One of the highlights of the fall session was a dinner given for the Juniors by the Business and Professional

Women for the purpose of discussing opportunities for future vocations. The two outstanding events of the year were the class play and the Junior Prom. The play, "Drums of Death," a three-act mystery, was presented in March under the direction of Mrs. Van Hoosen and Mr. Herfindahl. With the help of all hands a memorable and delightful Prom is one of the many happy memories of the Junior Class.

During its second year, the Class of 1959 has become an integral part of the Yreka High School. The class elected for its corps of officers the following students: Ted Peters, president; Dorothy Hessig, vice president; Carol Peterson, treasurer; Nancy Whitman, secretary; Ray Minton and Sandra Arnberg, boys' and girls' athletic managers respectively. Incidentally, Nancy Whitman has been elected president of the Leadership Conference which will be held in Yreka in the fall of 1957. For the first time a sophomore was elected Basketball Jamboree Queen. Betty Bagaas, our candidate, won the honor by a wide margin.

At the present time we are deep in plans for the "Sweetheart Swirl," scheduled for February fifteenth. We feel grateful to our advisor, Mrs. James, for all the cooperation and the many suggestions she has given us. We are proud of our class and the success we have had during our sophomore year.

In September, the largest group of Freshmen ever to enter Yreka High School met for the first time. Although they came from various parts of the country, they quickly became acquainted and organized to take their place in school. They have been active in all sports and activities and are proud of their promising athletes and scholars. With this year behind, this class is looking for greater achievements in the rest of their high school years, and to make an enviable record for the class of '60.

Trampoline Club

For the past six years, the Trampoline Club has put on performances for the public. One of the highlights of this year's shows was the performance put on at the Medford T.V. station. Mr. Loudon received many nice letters, pertaining to the skill of the members. Some of the shows put on in the county were: McCloud High School, Mount Shasta High School. Shasta Junior College invited the club to their school so that they might see the development being made in the Trampoline Field.

Anderson High School and Red Bluff were other schools that invited the club to put on their show. Members of the Josephine County Fair Board invited the team to appear at their county fair in August.

We can be proud of the talent that we have on the team and of the advisor, Mr. Ed Loudon. Petitions for a performance on the Ed Sullivan Show have been passed out and to this date over 2000 signatures have been received. We sincerely hope that Yreka is represented in New York this summer!

Band and Majorettes

Under the excellent leadership of Mr. Warren Behnke, our band has excelled in many towns. The two trips taken by the band this year were to Redding and Chico, California. The main trip was taken last November when the band was invited to attend a football game at Berkeley, California under the direction of University of California.

Yreka High School chartered a bus to take the students to the band festival. They performed at the half of the game between University of California and Washington University.

For the past five years, Yreka High School has become known as one of the best band schools in northern California. In ranking notices, Yreka always places at the top. Many first places have been received. Mr. Behnke should be given a cheer for his efforts in having a top band in our school.

At every football and basketball game you can see the band represented.

Junior Varsity Football

Again this year as in the past two years the J.V.'s have done an outstanding job in helping the young players get in shape for the varsity next year. Over 70 boys turned out for the team. Equipment was short and many had to be turned away.

Mr. Lawrence DeRushia turned in a splendid job as coach losing half of their games but not by a large score. The experience gained in their J.V. days will pay off within the next three years on the varsity.

The majority of the player's were sophomores and freshmen. Only one junior turned out for the team. The ability to handle the ball and run with it was one of the many talents shown the J.V.'s.

From now on the Junior Varsity will become part of the sports at this school.

"B" Basketball

For the third straight year in a row the B team won the championship of the Siskiyou County League. During league play only one game was lost in the entire season. Weed High School was the only team to take the measure of the Yreka Miners. The score of that game was 35-38. Weed then lost to McCloud High to even the score in the league. Yreka twice in two years tied for the Championship with the same team, Weed.

One of the highlights of the season was the last game with Dunsmuir. The Dunsmuir quintet was ahead of the Miner five when Ted Peters, a sophomore, scored from 20 feet out to give the Miners the cochampionship of the league.

Mr. Lawrence DeRushia, coach of the B team, did a remarkable job for the past three years, only losing three games during league play. All of the players were new this year with not even one veteran coming back to help the squad. Determination after losing the very first game of the season helped the Miners to win the crown.

Why be well informed?

You have the advantage when you're well informed—when you're aware of events occurring half a world away, as well as those in your own home town.

From the well informed, leaders are chosen—leaders in government, in industry, in civic affairs.

You can be well informed by intelligently reading your newspaper—the only source of news which gives you such thorough, detailed coverage.
